

## ADULT EDUCATION

As one of the largest, most progressive and diverse urban districts in the province, Burnaby provides comprehensive educational programs and services to a diverse population of 24,000 full-time and 17,000 part-time learners. The district operates 41 elementary and 8 secondary schools, plus a number of additional facilities.

Burnaby School District invites applications from qualified teachers effective immediately for Adult Education Replacement Teacher (TTOC for Adult Education).

### About our Adult Education Program

#### Foundations

- The Foundations program is designed to strengthen basic skills in English, Social Studies, Mathematics, Science and Computers in preparation for both employment and further studies. Foundations courses are transition or bridging classes that prepare students for regular Grade 10, 11, and 12 courses. The learning outcomes of the Foundations program are designed to address literacy and needs up to the grade 10 level.
- The Foundations English program covers seven core courses (Foundations English 1 to 7) and several companion courses (Reading, Writing, and Speaking & Listening). This program strengthens and supports learning for students who want to enroll in Composition 11, Composition 12 and English Studies 12.
- The Foundations Social Studies program is designed to develop skills needed for further study in Social Studies 11, BC First Nations Studies 12, Comparative Civilizations 12, Geography 12, History 12, Law 12 and Social Justice 12.
- The Foundations Mathematics program has seven core courses (Foundations Mathematics 1 to 7) and prepares students for mathematics at the Grade 10, 11, and 12 levels.
- The Foundations Computers program prepares students for a wide range of technology related courses at the grade 11 & 12 levels, including Business Computer Applications.

#### High School Completion

- Our High School Completion program offers Grade 11 and Grade 12 courses for adults (18 years of age or older). These courses can be used to complete high school graduation or as upgrade courses for academic subjects
